Double storey family living doesn't come more enchanting than this! A great layout and stylish design promotes a sense of both privacy and togetherness. Located at the end of a cul de sac in tranquil Glen Iris Estate, its immaculate tropical gardens instantly set the tone of a well cared for, beautifully renovated home. With every space as peaceful as it is inviting, you'll want to make the most of every area - from the large theatre/games room to an amazing master walk-through robe, and also, the outdoor, timber decked alfresco. Best of all, a gorgeous, solar heated, salt water swimming pool can be a highlight year round!

With three bedrooms up stairs, including the master, and one downstairs with its own ensuite, this home lends itself well to having visitors or extended family member stay. Alternatively, you can use the separation as a teenager's retreat or home office.
